Objectives	To reduce the behavioral issues among the students by raising awareness among the students about positive and negative behavior. To educate students about the benefits of practising good behavior and consequences of practising negative behavior.
Outcome	Students actively participated in the session and have ensured to follow the classroom rules.

A behavior management session was conducted for Grade 3and 4 students on 30-04-2026 to promote positive behavior and help them understand the importance of following school rules.The session began with an introduction about the school counselor and reassured students that they are most welcome in times of need. Then the focus was on a gratitude note for reopening of our school and students were made to count the blessings . During the session, students participated in an interactive discussion about good behavior, kindness, respect, and responsibility. Through stories, role-play activities students learned how their actions affect others and how making positive choices can contribute to a safe and happy learning environment.

The school counselor involved the students in games where the role of instructions play a vital role in winning the game through the games students were made aware of the importance of following instructions.To foster a sense of ownership and responsibility,students were randomly picked to share their thoughts on why is it important to follow school rules?.Overall , the students participated with great enthusiasm and have promised to obey the rules and the session has achieved the goal in raising awareness about the school rules.
