

# CHRISTMAS

## Joy, Music, Festive

### **LEARNING OBJECTIVE:**

To introduce children to the cultural and festive traditions of Christmas.

KG to Grade 2 students celebrated Christmas with immense joy, music, and festive cheer. The celebration began with a lively special assembly that set a joyful and vibrant atmosphere. Teachers performed a wonderful dance, filling the stage with energy and excitement. The program also included beautiful Christmas carols sung by teachers, spreading the spirit of the season among students. Adding a cultural touch, teachers showcased the traditional dance, Margamkali, delighting everyone and enhancing the festive mood.

After returning to their classrooms, students continued the celebrations with music, dance, and engaging fun-filled activities. They also shared sweets with their friends, demonstrating kindness, sharing, and togetherness.

The day was filled with laughter, smiles, and excitement, making it a memorable experience for all. Through these celebrations, children not only enjoyed the festive spirit but also learned about cultural traditions, the joy of giving, and the importance of unity and friendship during special occasions.

### **LEARNING OUTCOME:**

Students demonstrated understanding and appreciation of Christmas traditions and cultural practices.
