

CLASS PARTY

CELEBRATION FUN AND FRIENDS

LEARNING OBJECTIVE:

Students were encouraged to develop social-emotional skills through group activities and collaborative celebrations.

KG1 and KG2 students recently enjoyed a delightful class party, marking a joyful end to the term. The day began with a movie screening in the auditorium, where the children watched an animated film with excitement and laughter. After the movie, they visited the Ice Cream Truck and enjoyed selecting from a variety of colorful flavors.

Back in the classroom, the children engaged in fun-filled games and activities that encourage teamwork and social interaction. A surprise visit from the school mascot added to the excitement, with plenty of cheerful moments and photo opportunities.

The day concluded with a lively classroom party featuring music, dancing, snacks, and shared moments of friendship. It was a memorable celebration that brought smiles to every face and created lasting memories.

LEARNING OUTCOME:

Children participated enthusiastically, showing cooperation, communication, and a strong sense of community.
