ONSITE CLASS RESUMPTION

Dear Parent,

Greetings for Wise Indian Private School!

In accordance with the latest directive from the Ministry of Education (MOE), we are pleased to announce that we will resume full in-person learning for all students **effective tomorrow, Monday, 11 May 2026**.

Please take note of the following important details:

- All students are expected to attend physical classes starting tomorrow morning.
- Our school remains committed to the approved safety and security protocols to ensure a healthy environment for your children. We kindly ask for your cooperation in ensuring students follow all standard health guidelines.
- The decision to resume in-person operations follows a thorough assessment of the current situation by the relevant authorities. The safety of our students and the continuity of the educational process remain our shared priority.
- While we are returning to campus tomorrow, the Ministry has confirmed that educational institutions remain ready to transition between different learning models (in-person or remote) should future developments require a change.

We will continue to share any further updates from the Ministry through our official communication channels. We are excited to welcome our students back to their classrooms and appreciate your continued partnership in their education.

Warm Regards,

Principal
Anjana Iraddi
