PTA NOMINATION 2025 - 2026

Dear Parent,
Greetings from WISE Indian Private School!

We are happy to announce the formation of the new Parent Teacher Association (PTA) for the academic year 2025 – 2026.

A Parent Association is the structure through which the parent in a school can work together for the best possible education for their children. It creates a partnership which helps the school to address the concern of the parents and to become aware of the functioning of the school. PTAs represent the collective voice of the parents and for the forum for communication and organization of social activities in school.

Although the Parent Association may organize many activities, these activities should all assist the association to achieve its two main roles within the school:

1. To work in partnership with the Principal, Board of Management and the whole school community for the betterment of the children in the school.
2. To support and empower parents to be active in the best interest of the children's educational lives.

Each grade level will be represented by a parent on the PTA. Parents interested in this role can nominate themselves by clicking the link below. Nominations close on 1st May, 2025.

Through the above link you may also register your interest in volunteering for the school activities as a parent volunteer.

Please note that the names and contact information will be shared with other parents of the respective grades for the smooth functioning and transparency of the PTA.

We encourage your support and valuable participation in this committee.

Warm Regards,

Principal
