PTA NOMINATION 2026 – 2027

Dear Parent,

Greetings from WISE Indian Private School!

We are pleased to announce the formation of the new Parent Teacher Association (PTA) for the academic year 2026–2027.

The PTA serves as a platform through which parents and the school collaborate to ensure the best possible educational experience for students. It fosters a strong partnership, enabling the school to address parents' concerns effectively while keeping them informed about school operations. The PTA represents the collective voice of parents and provides a forum for communication, coordination, and the organization of school-based activities.

Although the Parent Association may organize many activities, these activities should all assist the association to achieve its two main roles within the school:

- To work in partnership with the Principal, Board of Management, and the wider school community for the overall development and well-being of the students.
- To support and empower parents to actively contribute to their children's educational journey.

Each grade level will be represented by a parent on the PTA. Parents interested in this role can nominate themselves by clicking the link below. Nominations close on 1st May, 2026.

Through the above link you may also register your interest in volunteering for the school activities as a parent volunteer.

Please note that the names and contact information will be shared with other parents of the respective grades for the smooth functioning and transparency of the PTA.

We encourage your support and valuable participation in this committee.

Warm Regards,

Principal
Anjana Iraddi
