STUDENT COUNCIL BODY 2026 - 2027

Dear Parent,

Greetings from WISE Indian Private School!

We are thrilled to announce the formation of the Student Council Body for the 2026–27 academic year. This platform offers our students a remarkable opportunity to nurture their leadership potential, paving the way for them to become the influential leaders of tomorrow.

At WISE, we believe that leadership and education go hand-in-hand. We are inspired by the words of John F. Kennedy:

"Leadership and learning are indispensable to each other."

We are committed to empowering our students to work together, embrace collective responsibility, and make a positive impact on both their school community and the world beyond.

The Pillars of Student Leadership

By participating in the Student Council, our learners commit to:

- Developing self-reliance in both their academic and personal lives.
- Taking pride in maintaining their personal space, classrooms, and school grounds.
- Actively assisting fellow students in their educational journeys.
