## **SAFETY NOTICE: RESTRICTION ON BRINGING E-SCOOTERS TO SCHOOL**

Dear Parent,

Greetings from WISE Indian Private School!

This is to inform you that bringing and using electric scooters (e-scooters) on school premises is **strictly prohibited with effect from 23 April 2026**, in the interest of student safety. This decision has been taken due to increasing safety concerns, including accidents, unsafe speeds, and non-compliance with protective measures. **E-scooters are not permitted under any circumstances.** Non-compliance may result in disciplinary action.

Use of bicycles is permitted provided they follow the prescribed guidelines:

- Always wear a properly fitted helmet
- Ensure the bicycle is well-maintained, with functional brakes and reflectors
- Use a sturdy lock to secure the bicycle in the designated parking area
- Wear knee pads for additional protection
- Parents are advised to review and ensure that the travel route is safe and manageable

Kindly note that students using bicycles must submit an **Undertaking Form** at the school reception. Upon submission, a **purple tag** will be issued and must be worn at all times during school hours.

We request your cooperation in ensuring the safety and well-being of all students.

Warm Regards,

Principal  
Anjana Iraddi
