

EID AL ADHA

THE FEAST OF SACRIFICE

LEARNING OBJECTIVE:

To help children understand the cultural and religious significance of Eid through interactive celebration.

Our Eid Party with the adorable KG1 and KG2 children was a heartwarming and festive celebration. The students arrived in beautiful traditional attire, filling the school with vibrant colors and joyful smiles. The day began with classroom decorations, including handmade lanterns crafted by the children, reflecting creativity and cultural spirit.

A special photo session captured the joyful moments shared between students and teachers. The highlight of the day was a short Eid video that helped the children understand the significance and beauty of the festival.

The event was filled with laughter, learning, and festive cheer. Special thanks to our wonderful students and staff for making the Eid celebration truly magical and memorable.

LEARNING OUTCOME:

Students learned about the values of love, sharing, and togetherness associated with Eid while expressing their creativity and enjoying the festive atmosphere.
