

Report on Earth Day Celebration 2026-27

Day and Date	22 April 2026, Wednesday
Time	During class time
Venue	Respective Classrooms
Participants	Grades 3- 9
Presented by	Department of Science
Objectives	● To create awareness among students about environmental conservation and sustainable living practices. ● To encourage creativity and active participation through eco-friendly and nature-based activities across all grades.
Outcome	● Students developed a stronger understanding of environmental issues and the importance of protecting natural resources. ● The event fostered creativity, teamwork, and responsibility towards maintaining a greener and cleaner environment.

BRIEF REPORT

Wise Indian Private School celebrated Earth Day on 22nd April 2026 with great enthusiasm. The programme was conducted by the Science Department during the first two periods to promote environmental awareness and responsible living among students.

Various grade-wise activities were organized as part of the celebration:

- Grade 3: “Grow Green, Save Earth” Micro Green Project
- Grade 4: Zero Waste Art Mural
- Grade 5: The Power of Recycling
- Grade 6: Earth Day Art Contest
- Grade 7: Quiz – “Mission Earth: Knowledge Challenge”
- Grade 8: Eco-Couture: Sustainable Costume Design Challenge
- Grade 9: Eco Photography Contest – “Nature Through My Lens”

Students participated actively and displayed great creativity, awareness, and enthusiasm in all the activities. The event was a grand success and effectively conveyed the importance of protecting our planet for a better future.
