

NEWSLETTER - GRADE 1

“MAGICAL MAY”

“Like the ocean waves, keep trying again and again until you reach your dreams.”

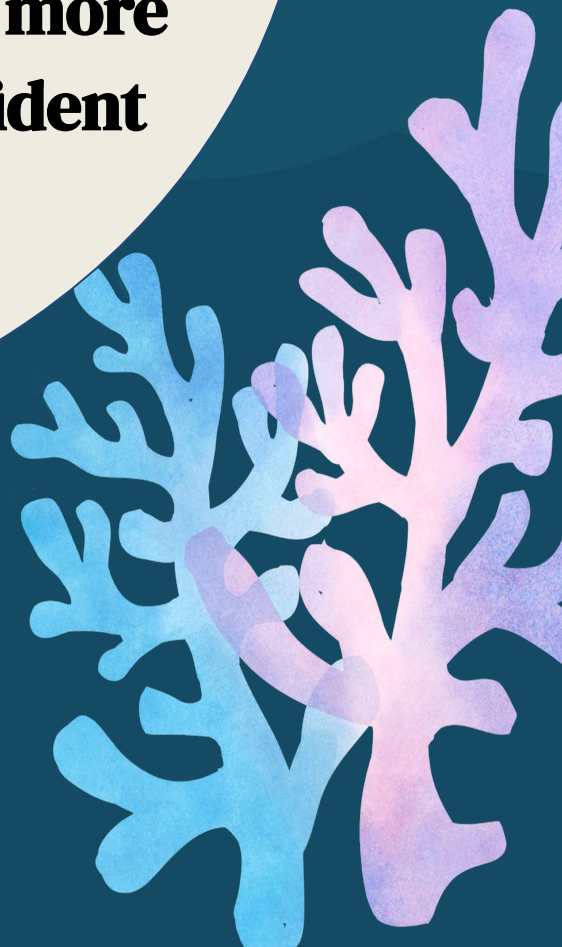

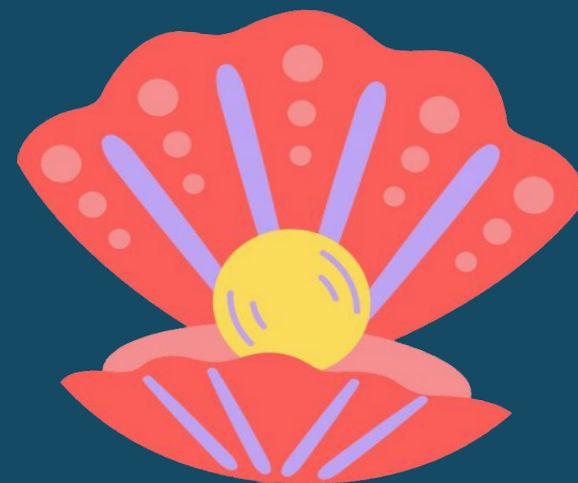

MISSION

To empower students to become ethical,intuitive,compassionate and creative members of the society. We strive to support this by building a more comprehensive teaching and learning method that addresses the forthcoming future.

VISION

Every individual student is unique hence, we are committed to provide a stimulating and nurturing environment that will inspire and empower them to become more responsible, innovative, confident and well rounded.

Dear Parents,

*We, the **WISÉ** team is delighted to send this newsletter to you. First, we would like to thank each one of you for being a strong pillar of support to our little learners. Learning is not confined to the school's premises and is not only about curricular growth. It should encourage and help the learners to develop their inborn talents and skills and act as an aid to overcome their weaknesses.*

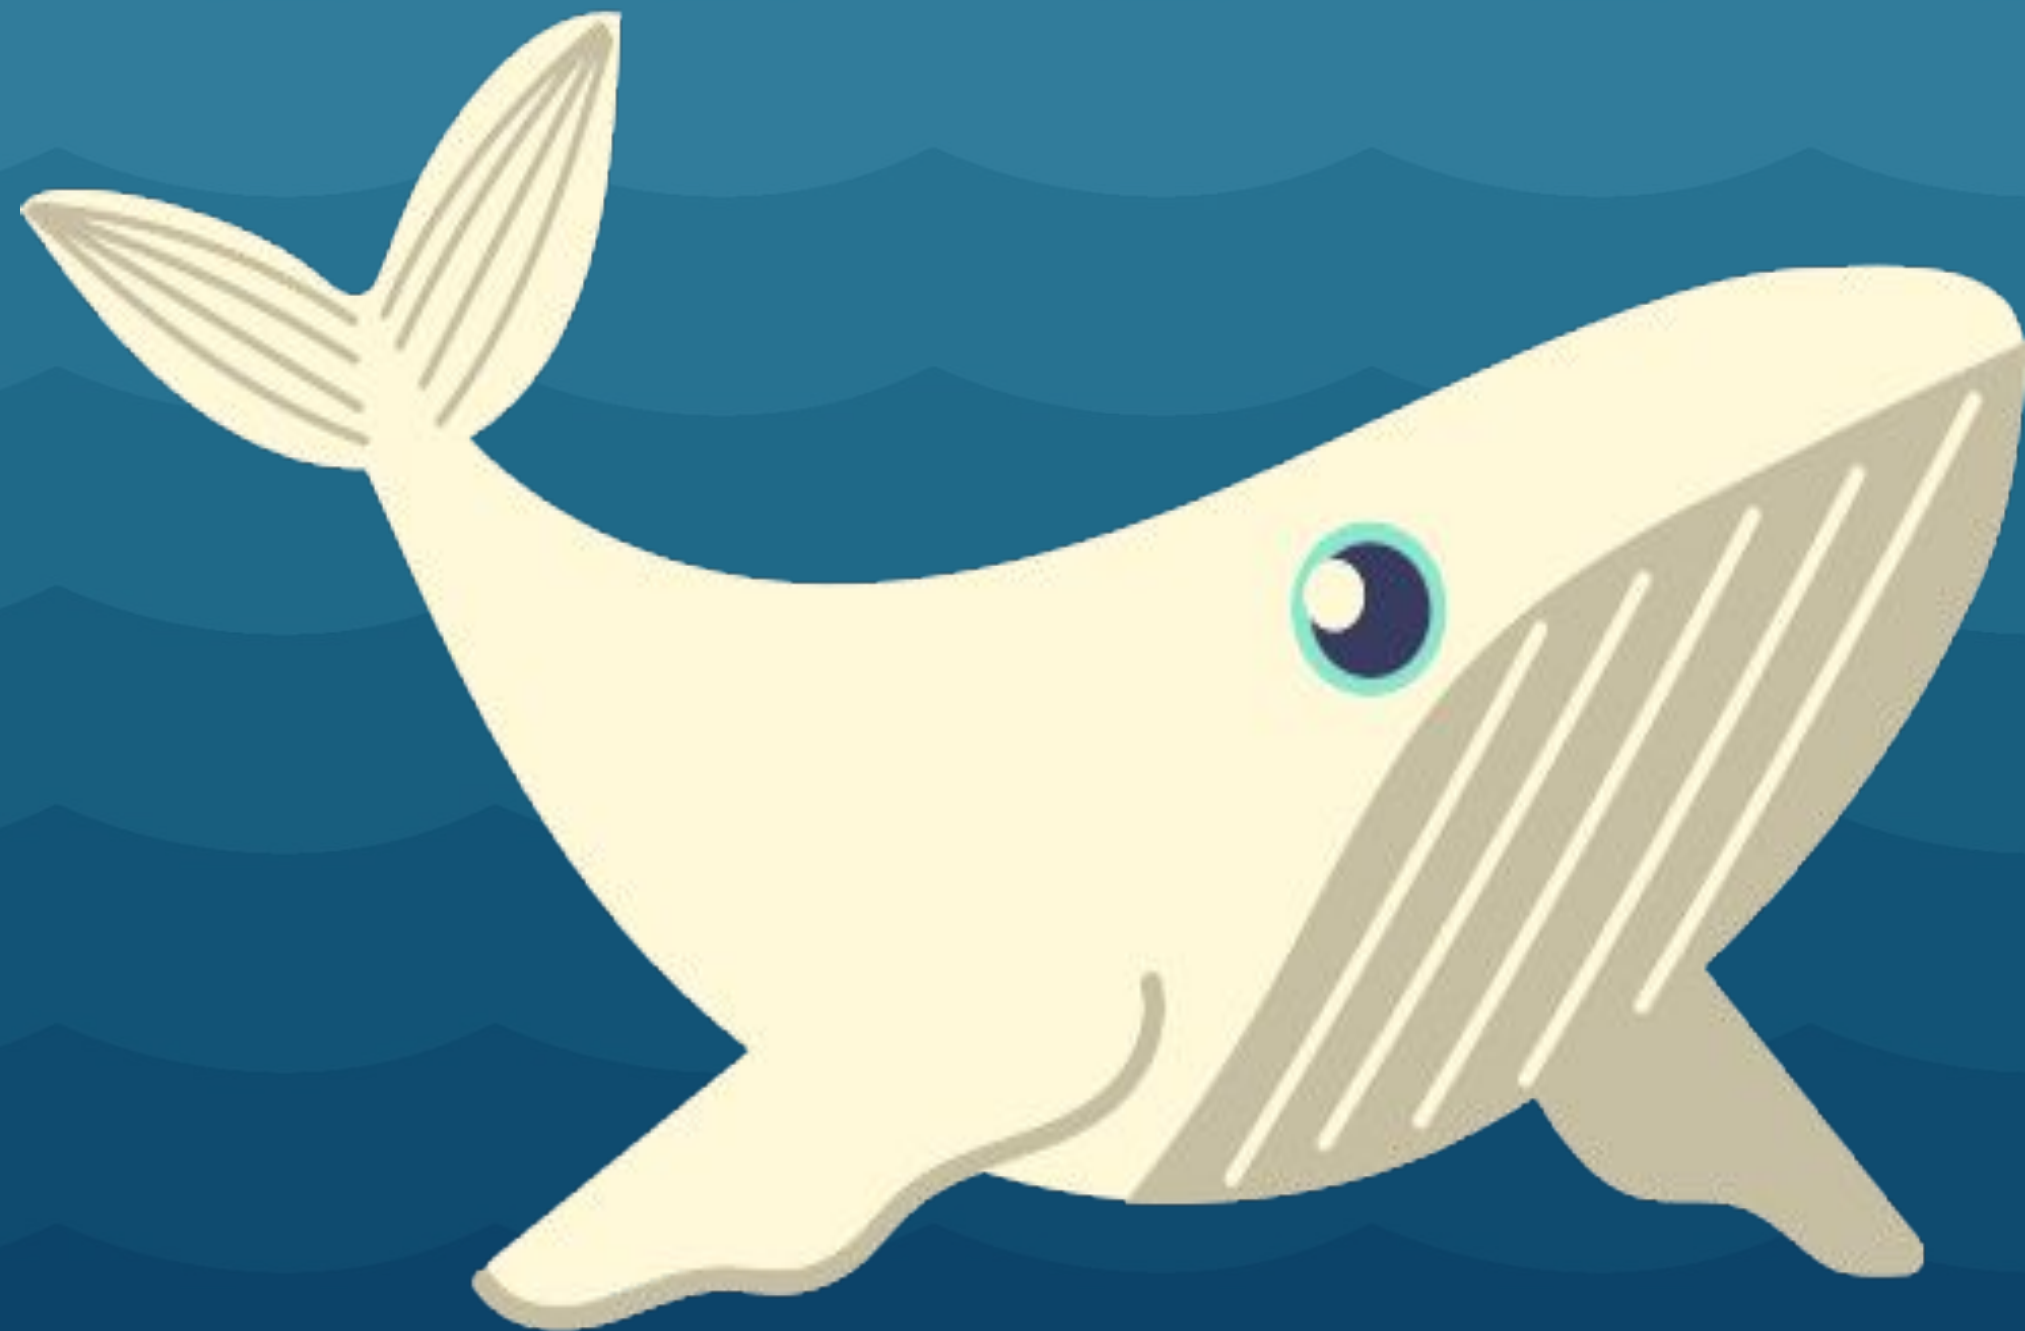

*During the month of May, our learners had an amazing journey of learning in their classrooms. They also celebrated **Mother's Day, Earth Day, International Plastic free Day and Book and Language Day.***

In the month of June, our little stars will go through a wide variety of activities that encourage them to become active learners of our interactive classrooms. Hands-on activities always allow them to collaborate with others and get new experiences. Celebration of different days makes them aware of the importance of such days as well as knowing about various cultures and traditions.

Always encourage your shining stars to set their own goals. Let them explore the world of infinite learning !

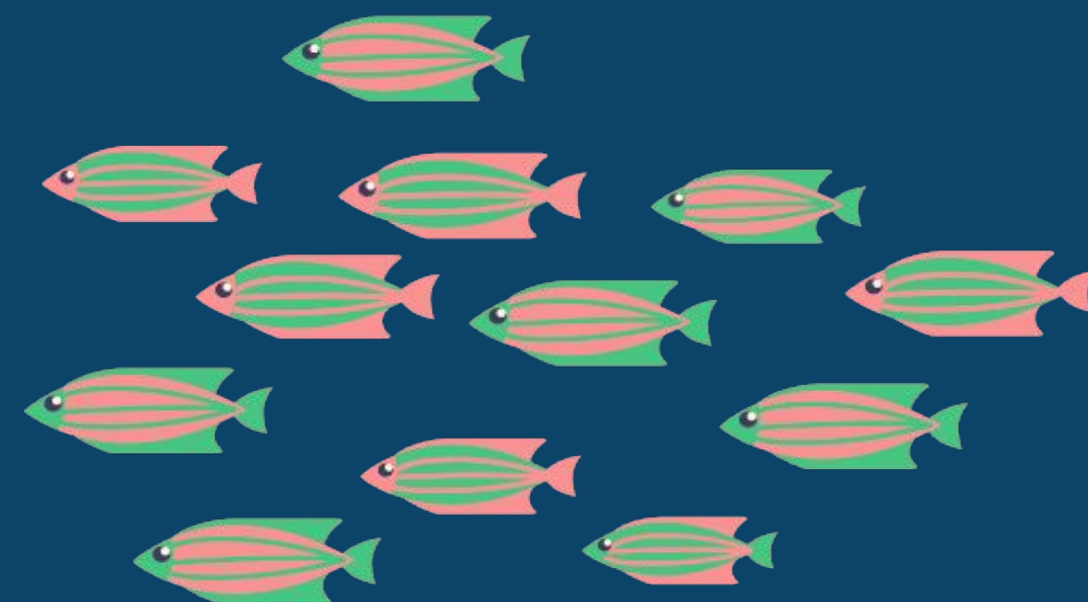

*Warm regards,
Class Teacher*

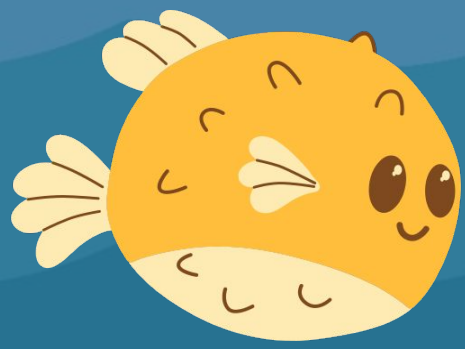

GLIMPSES OF

ACTIVITIES

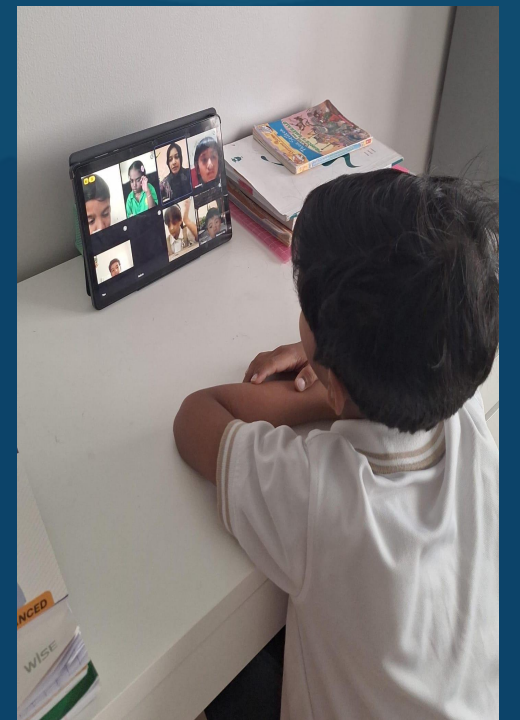

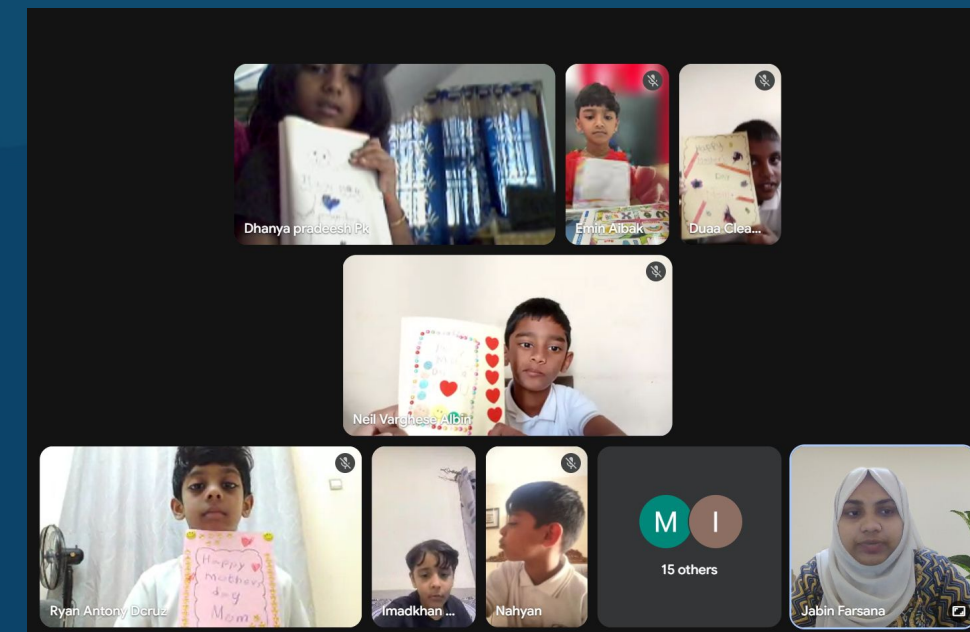

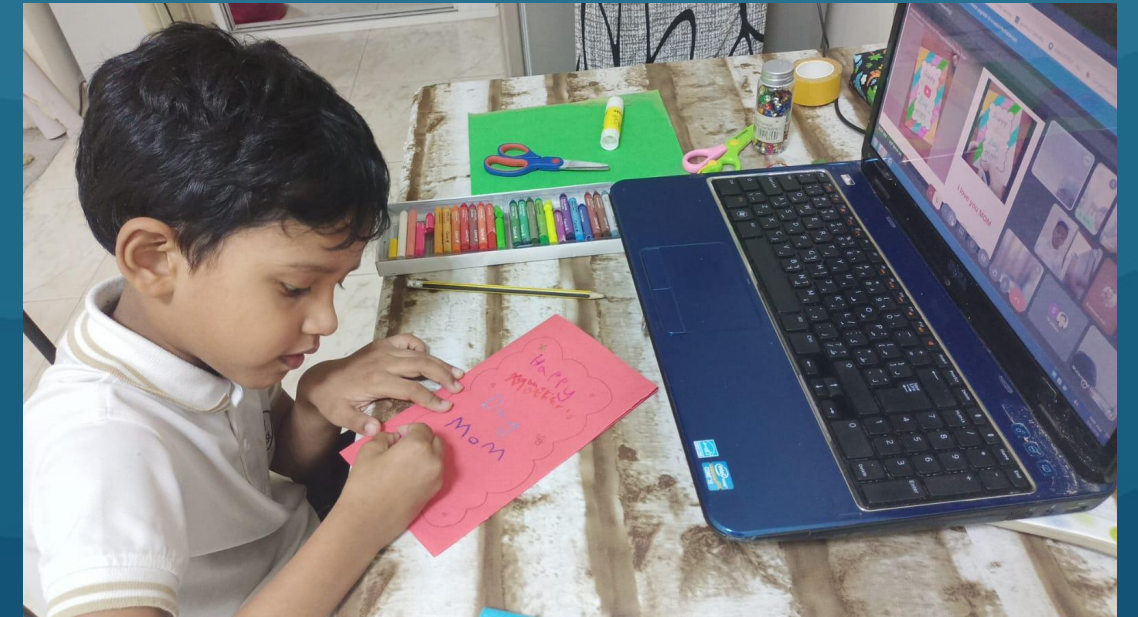

Mother's Day Celebrations:

Our virtual classroom was filled with love, happiness, and excitement as we celebrated Mother's Day together.

The little ones enthusiastically sang songs for their mothers and created beautiful handmade cards with creativity and care. Watching the children proudly gift their cards to their moms was truly heartwarming.

It was a joyful and memorable celebration filled with smiles, love, and appreciation for all the wonderful mothers. 🌸

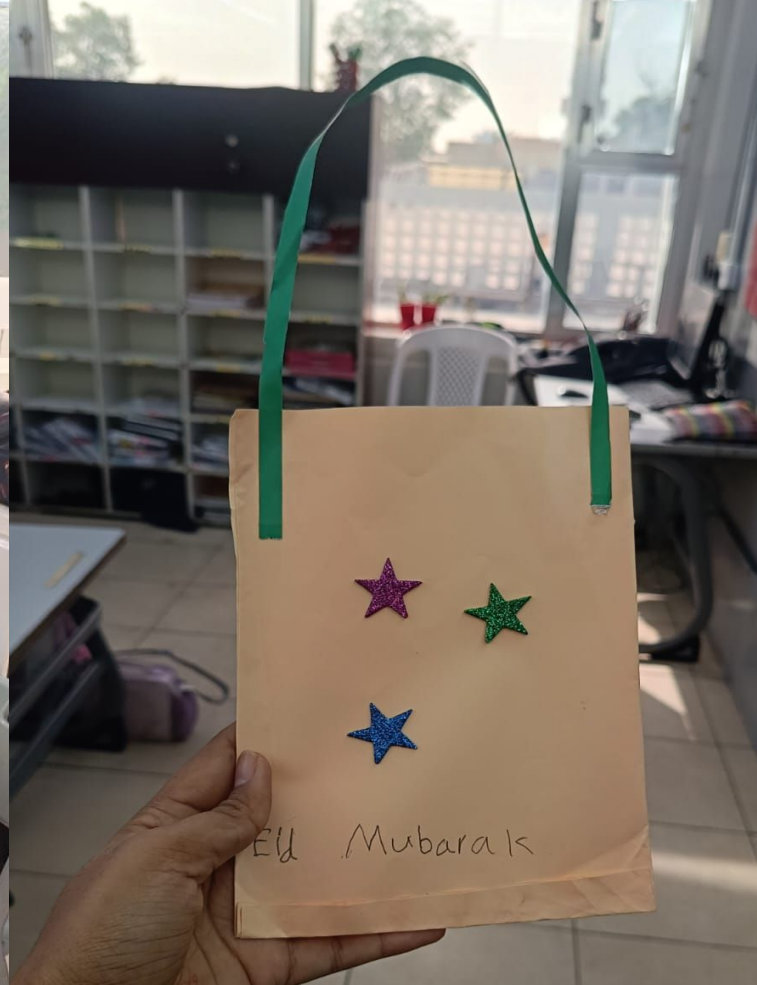

International Plastic Free Day:

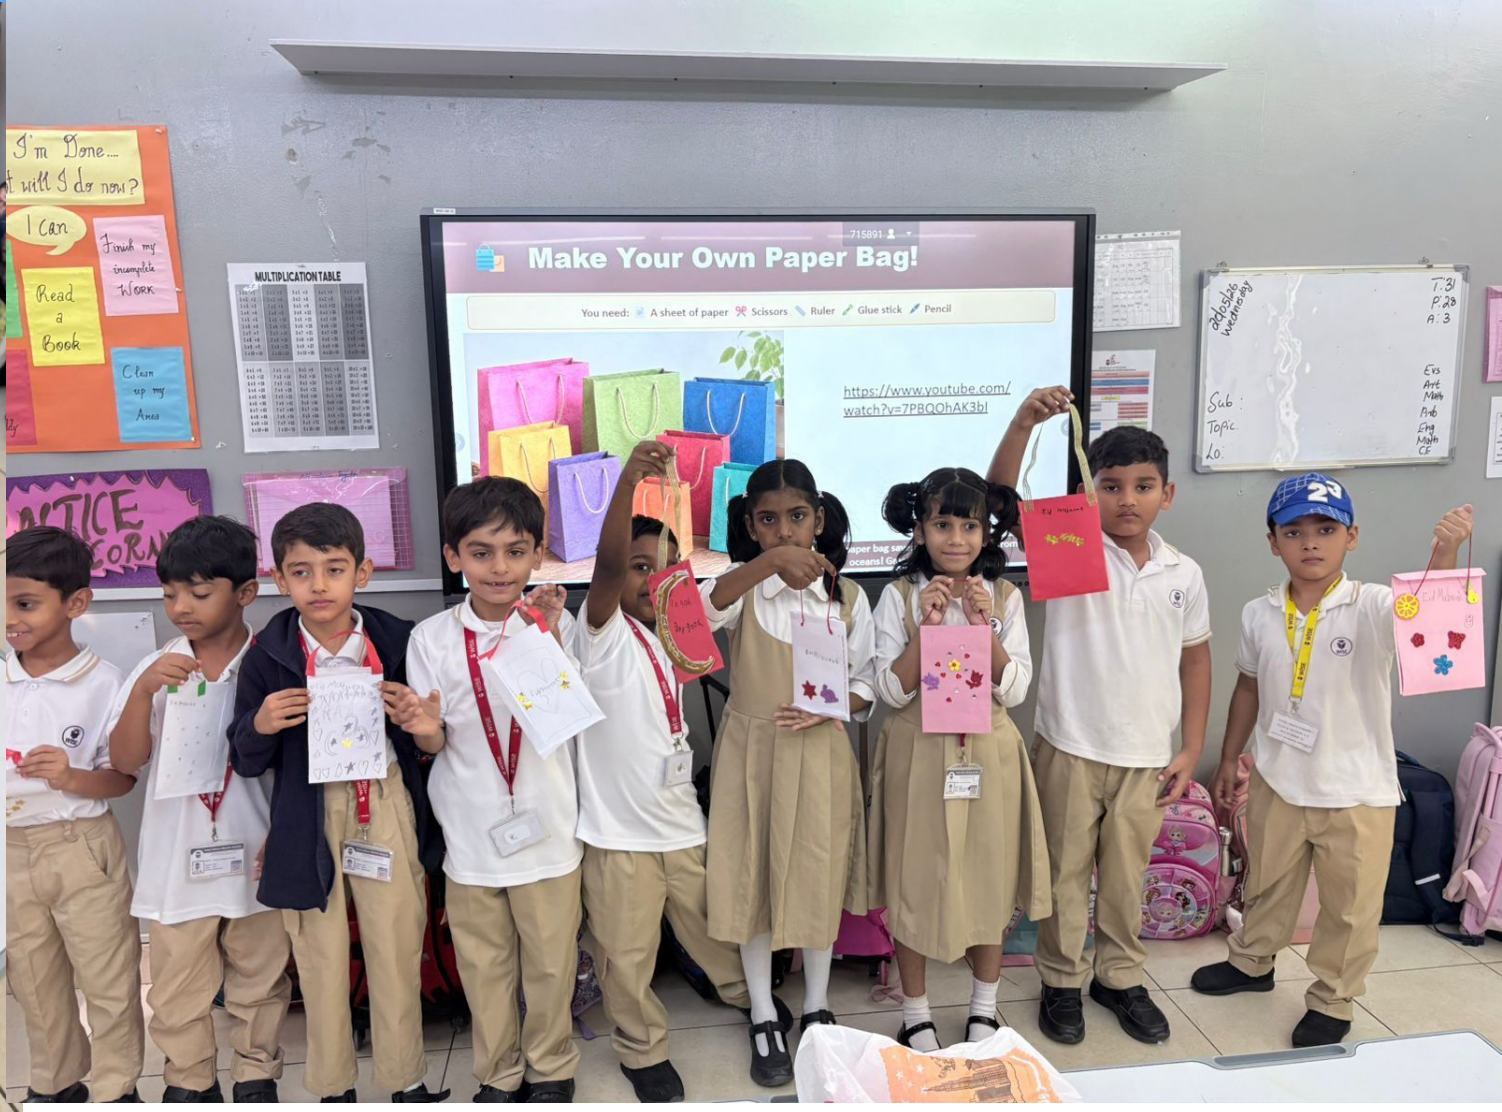

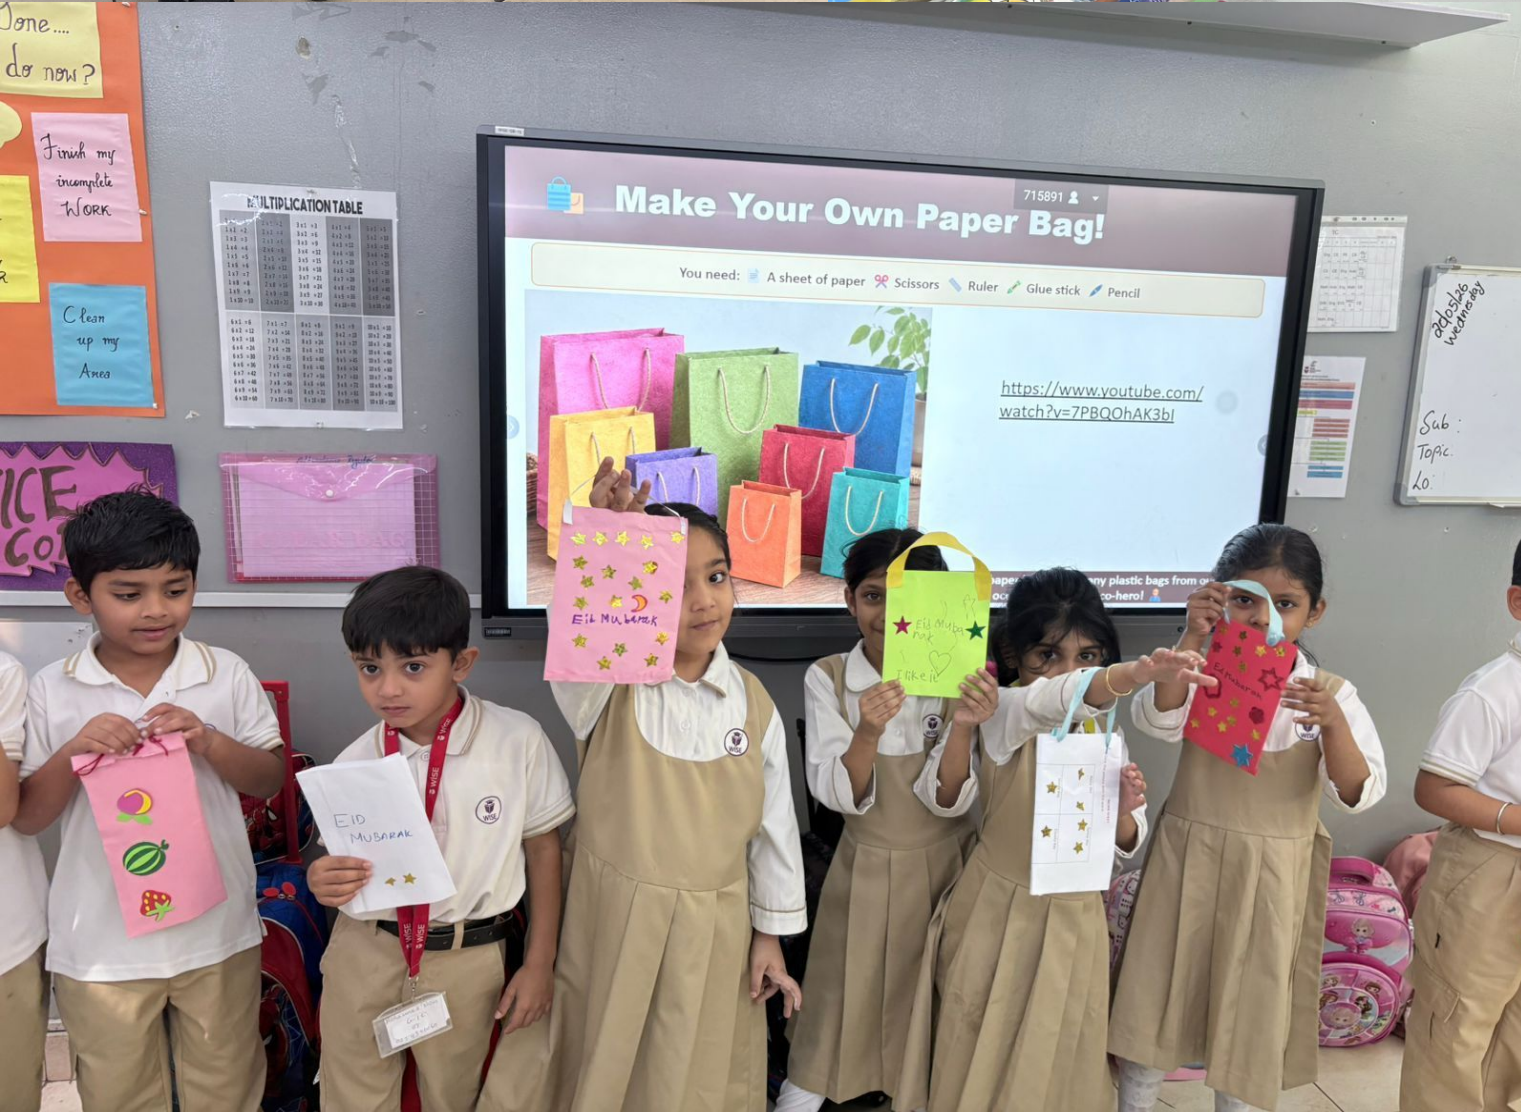

Our Grade 1 students participated in a fun and creative Eid Gift Paper Bag Craft activity to celebrate International Plastic Free Day.

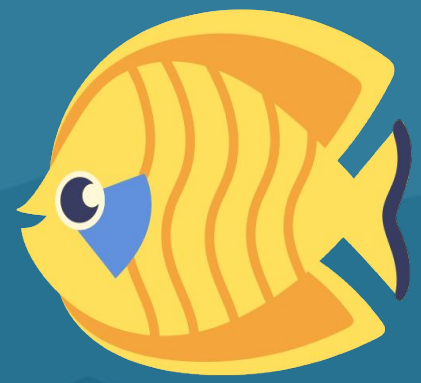

Using eco-friendly materials, the students designed beautiful paper bags for Eid gifts while learning the importance of saying “No” to plastic and protecting our environment.

This hands-on activity encouraged creativity, reuse of materials, and environmental awareness among our young learners. We are proud to see them taking small steps towards a cleaner and greener future!

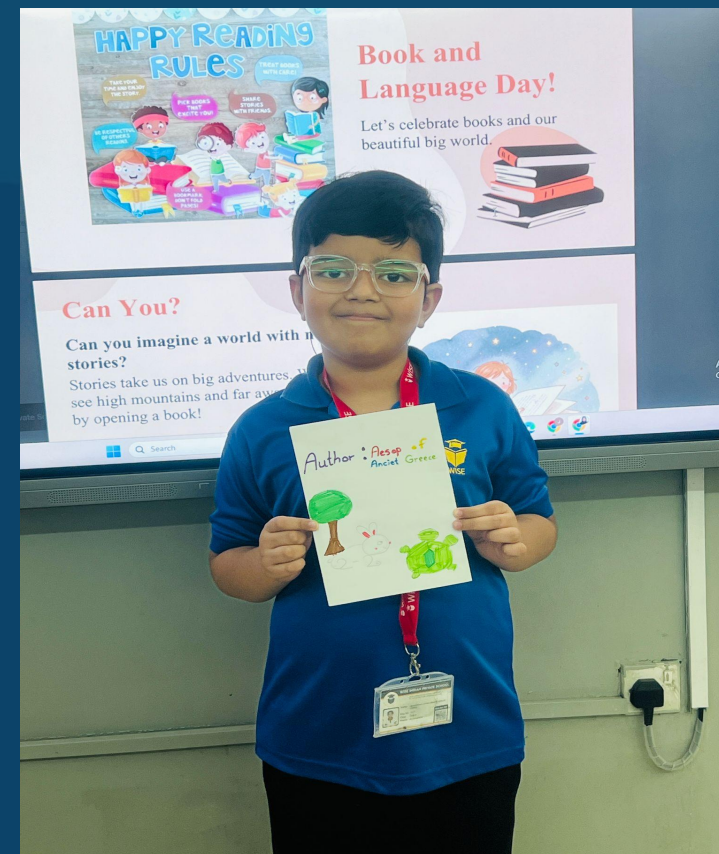

BOOK AND LANGUAGE DAY:

Our brilliant Grade 1 authors brought magic to life for Book and Language Day! 📖🎨 The kids poured their hearts into creating beautiful, hand-crafted bookmarks, publishing their very own creative books, and showcasing their incredible imagination in the story writing competition. ✨✍️ We are so proud of their hard work and enthusiastic preparation. Enjoy these wonderful snapshots of our budding literary stars in action! ❤️🎉

EID AL ADHA CELEBRATIONS:

Our classroom was full of happiness and excitement as we celebrated Eid together

😊💫 Students enjoyed listening to an Eid story 🌙📖 and learning about the importance of this special occasion. They also shared their lovely thoughts about Eid 🗣️💫

The children had a wonderful time doing creative craft activities 🎨🐑🕌 by decorating sheep pictures with cotton and colouring the Kaaba, which they pasted on paper plates 🙌💫.
