Joyful January!

Grade 2

2026

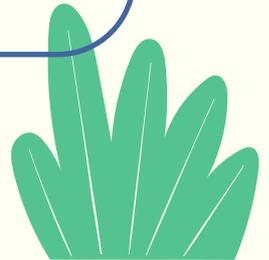

# Vision

Every individual student is unique; hence, we are committed to provide a stimulating and nurturing environment that will inspire and empower them to become more responsible, innovative, confident, and well-rounded.

# Mission

To empower students to become ethical, intuitive, compassionate, and creative members of the society. We strive to support this by building a more comprehensive teaching and learning method that addresses the forthcoming future.

Dear Parents,

The month of January began with a renewed sense of energy as the school reopened after the Christmas vacation. This month was packed with vibrant activities and opportunities for students to learn, grow, and showcase their talents. One of the highlights of January was the **Spell Bee Competition**, where our students displayed their linguistic skills, confidence, and a flair for spelling.

Adding a touch of exploration and hands-on learning, our students participated in **field trip**. This trip not only enriched their knowledge but also fostered curiosity and a love for discovery outside the classroom.

As we move forward, our students continue their journey of academic excellence with upcoming assessments and projects, turning every challenge into an opportunity for growth. Alongside academics, they actively participated in meaningful celebrations such as **Literacy Day, International Education Day, and Republic Day**, which enriched their learning experiences and values. Thank you for your continued support and encouragement. Stay connected, stay inspired, and let's look forward to many more moments of success and joy in the months ahead!

Warm regards,  
Class teacher

# Glimpses of activities!

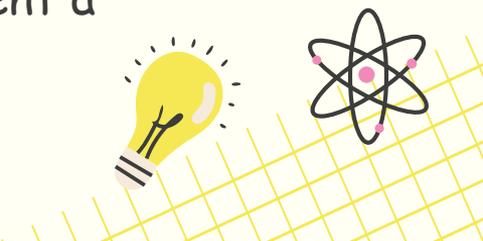

# Spell bee competition

The Spell Bee Competition was an exciting and **educational event aimed at enhancing vocabulary, improving spelling skills, and boosting confidence** among young learners. The competition created a lively atmosphere, with each round becoming more challenging and engaging. It provided a wonderful platform for students to strengthen their language abilities and build self-esteem.

**All participants were awarded participation certificates** as encouragement to continue their hard work, while **the winners were honoured with certificates and medals**, making the event a memorable and rewarding experience for everyone.

# Literacy Day Challenge

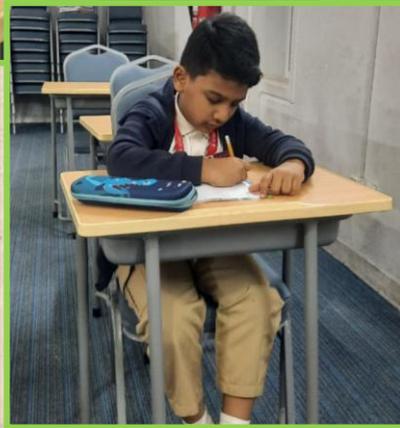

As part of Literacy Day Challenge, Grade 2 students enjoyed a fun and engaging creative writing activity based on the story "Tom, the Turtle." The auditorium was filled with excitement as students imagined Tom's very first swim and brought his adventure to life in their own unique ways. Each child explored different ideas, emotions, and experiences—some described joyful splashes, others exciting discoveries under the water. The activity encouraged students to think creatively, express their thoughts freely, and enjoy the process of storytelling.

The purpose of this activity was to nurture a love for reading and writing, boost imagination, and help students gain confidence in sharing their ideas. The children thoroughly enjoyed the session and participated with great enthusiasm, making it a memorable and meaningful part of our Literacy Challenge celebrations. We are delighted to share glimpses of this joyful learning experience! 📶📷📱

# Literacy Day Challenge

# Field trip

## Sharjah Desert Park - A Day of Discovery and Wonder

☀️🔧 The field trip to Sharjah Desert Park was a joyful blend of learning and excitement for our students. Surrounded by nature, they explored the desert environment and were thrilled to see different desert animals up close. Watching the animals in their natural habitats sparked curiosity, amazement, and many enthusiastic conversations among the children. As they walked through the park and interactive exhibits, students learned about the desert ecosystem, wildlife, and the importance of conservation in a fun and meaningful way. This outdoor learning experience helped them connect what they learn in the classroom with the real world, making learning more lively and memorable.

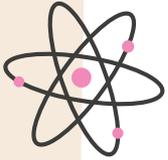

# International Education Day

📶 Dream Big, Little Stars! ✨

As part of International Education Day, our Grade 2 students explored their future dreams through colorful drawings and creative writing. Each child proudly illustrated what they want to become and shared their thoughts with joy and confidence. The beautifully decorated charts now brighten our classroom walls, reflecting imagination, happiness, and big dreams in little hearts. ✨🌱

It was inspiring to see the variety of dreams—some want to be doctors, teachers, astronauts, artists, or even inventors! 💡🚀👨‍🔬. Each child explained their choices with enthusiasm, showing a spark of curiosity and determination that promises a bright future. 🌟

# International Education Day

# Republic Day

As part of the Republic Day celebrations, Students watched an informative video about the **Republic Day of India**. They learned why 26th January is celebrated, who **the President of India** is, the importance of the **national flag**, and about the **grand celebrations held in Delhi on this day**.

To show their love and respect for the nation, the children creatively **made the Indian national flag** as part of the celebration. The activity helped them understand the values of patriotism, unity, and national pride, making the learning experience joyful and meaningful.
