

## ORIENTATION AND FIRST DAY

<b>Date and Day</b>	01-04-2026, Wednesday
<b>Objectives</b>	<ul style="list-style-type: none"><li>• To familiarize students and parents with school routines, expectations, and communication platforms.</li><li>• To help students feel comfortable and confident in the new classroom environment.</li><li>• To encourage creativity and self-expression through engaging first-day activities.</li></ul>
<b>Conducted by</b>	Grade 1&2 Class Teachers
<b>Participants</b>	Grade 1&2 Students and Parents
<b>Activity</b>	<p>An orientation session for Grade 1 and 2 students and parents marked a smooth start to the academic year. Teachers shared key information about the school's vision, rules, routines, and digital platforms, building a strong foundation for communication and collaboration.</p> <p>Students also enjoyed a fun first-day activity—Grade 1 created “Star” sheets sharing personal details and interests, while Grade 2 designed “Snow Globes” reflecting their winter memories. These activities helped students feel comfortable, express themselves, and begin the year with excitement and confidence. ✨</p>
<b>Learning outcome</b>	Students settled smoothly into the new academic year with a clear understanding of routines and expectations. They expressed themselves confidently through creative activities and began building positive connections with peers and teachers.
