

BOOK & LANGUAGE DAY

Date and Day	18-05-2026, Monday
Objectives	• Students will recall and apply a variety of action words and naming words of their daily lives and reading. • Students will be able to recall the name of the book and its author. • Students will learn to sequence the events and create a simple story of their own.
Conducted by	Ms. Jona and Ms. Ayesha
Participants	Grade 1 and 2 students
Activity	The Book and Language Day activities were conducted successfully by including engaging activities like bookmark creation, word book design and story book creation. These hands-on sessions effectively instilled a deep appreciation for reading among the students. Overall the program was a resounding success, achieving its goal of promoting literacy and language skills.
Learning outcome	• Students will independently complete a two-sided bookmark, with one side correctly identifying and spelling the title and author of their chosen book. • Students will demonstrate their ability to write their own work and identify themselves as authors. • Students will produce a 2-3 page storybook of their own.
