

MOTHER'S DAY

Date and Day	08-05-2026, Friday
Objectives	To help students express love, gratitude, and appreciation for their mothers through creative activities and poem.
Conducted by	Ms. Maria and Ms. Rafia
Participants	Grade 1&2 Students
Activity	The Mother's Day activity was conducted successfully through online mode for Grade 1 and 2 students on 08/05/26. Students actively participated from their homes by making beautiful greeting cards for their mothers and expressing their love and gratitude through creative work. They also learned and sang Mother's Day songs and recited poems during the online session. Students proudly presented their greeting cards to their mothers and shared lovely photographs with them. The activity helped students develop creativity, confidence, and communication skills while expressing their love and appreciation for their mothers in a joyful and meaningful way
Learning outcome	Students will developed creativity, fine motor skills, and confidence in expressing their love and gratitude for their mothers through art and music.
