## VISION

Every individual student is unique; hence, we are committed to provide a stimulating and nurturing environment that will inspire and empower them to become more responsible, innovative, confident, and well-rounded.

## MISSION

To empower students to become ethical, intuitive, compassionate, and creative member of the society. We strive to support this by building a more comprehensive teaching and learning method that addresses the forthcoming future.

Dear Parents,  
October was a joyful month of learning and celebration in our classroom. Students actively took part in **Digital Week and Math Imagination Day**, where they explored technology through interactive activities and discovered the fun side of mathematics through puzzles, models, and creative problem-solving.

We also celebrated **Diwali, the Festival of Lights**, with great happiness and togetherness. Children enjoyed creating diyas and rangoli designs while learning the values of light, goodness, and unity. It was wonderful to see their excitement and enthusiastic participation throughout the month.

# GLIMPSES OF ACTIVITIES

# DIGITAL WEEK

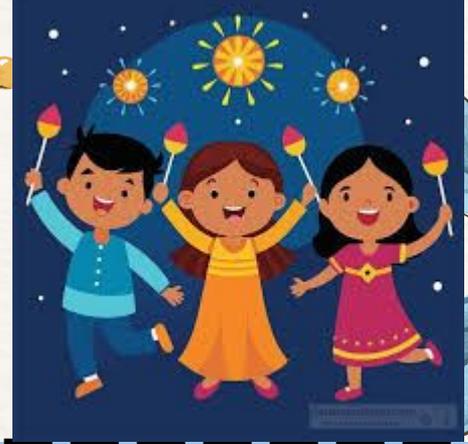

Our students had an exciting day as part of Digital week. They attended E-safety session conducted by the senior students and learned how to stay safe while using digital devices. After the session, the little ones had fun with colouring activities and puzzles, showing great activity and teamwork.

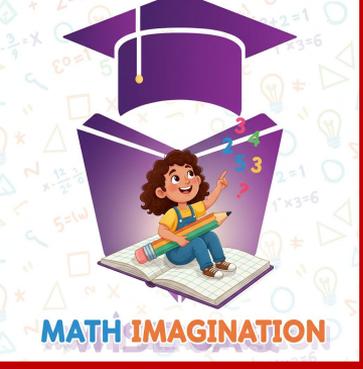

Little stars lighting up  
Diwali! ✨ 🪔

**Our students lit up the Diwali spirit with colours, sweets, and creativity. Each classroom was beautifully decorated and the children joyfully welcomed everyone with smiles and festive cheer . From vibrant diya making to sharing the significance of Diwali ,our young learners expressed the true essence of the festival. Dressed in bright traditional attire , they celebrated unity, creativity and togetherness.**

# A MAGICAL MATH CARNIVAL!

Our students entered a world where math came alive! The school transformed into a colorful carnival filled with exciting stalls that made learning hands-on, interactive, and super fun. From Addition, Subtraction, and Multiplication Challenges to 3D Shape Discoveries and Time Travel – Before & After Numbers, every activity sparked curiosity, creativity, and excitement. Students were exploring, solving, and learning while laughing, cheering, and having a blast. It was amazing to see our young learners so engaged and confident, turning math into a magical adventure.

# SPECIAL ASSEMBLY

GO GREEN GO  
DIGITAL

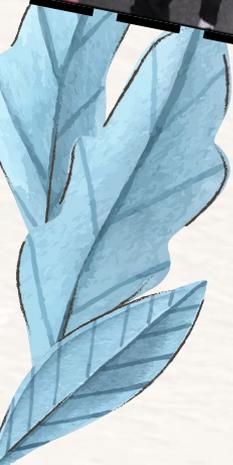

The students of Grade 1 presented a vibrant and meaningful assembly on the theme “**Go Green, Go Digital.**” The assembly began with a warm welcome, followed by an energetic performance that filled the stage with enthusiasm and joy. The students then performed a thoughtful skit that carried a powerful message about caring for nature while keeping pace with the digital world.

*Congratulations*  
**September**  
**Achievers**

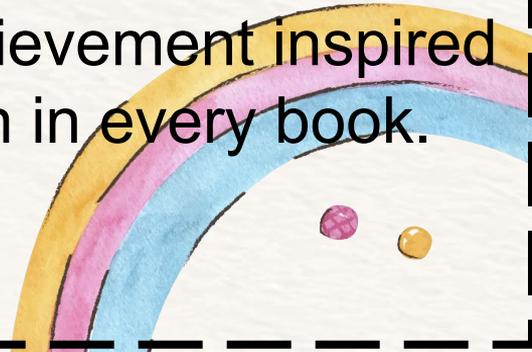

For the month of September, certificates for **Reading Hero, Diligent Learner, and Best Orator** were awarded to the deserving students of **Grade 1**. Kudos to all the young achievers for their dedication and excellent performance. Let this inspire everyone to keep learning, working hard, and aim for these awards in the coming months.

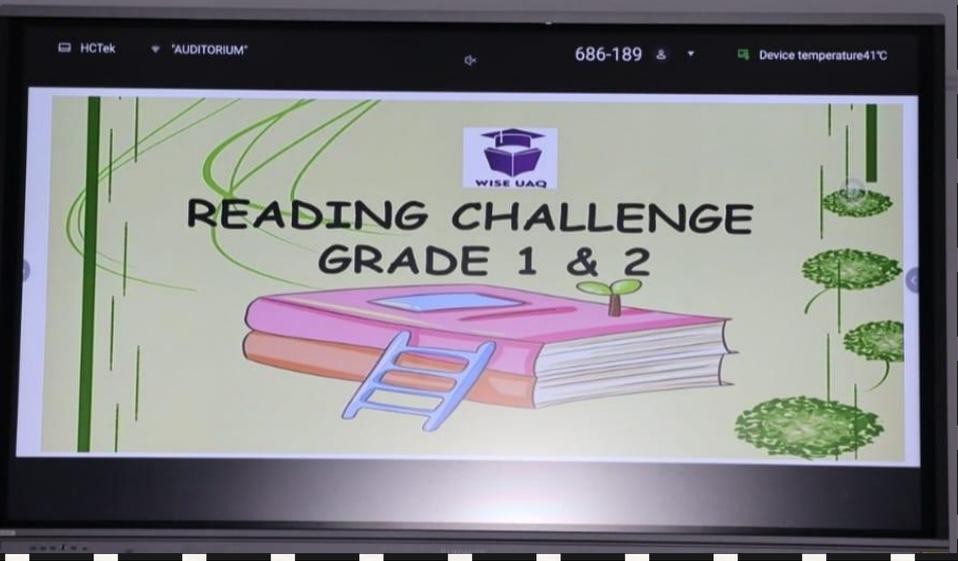

# READING CHALLENGE

The Reading Challenge was organized to foster a love for reading among students. Participants showed great enthusiasm as they explored a variety of books and shared their reading experiences.

The exceptional readers were recognized for their dedication, consistency, and passion for reading. Their achievement inspired others to read more and discover the joy hidden in every book.

**SYLLABUS**  
**FOR NOVEMBER**
