

AROUND THE WORLD

Date and Day	02-06-2026, Tuesday
Objectives	• Students will be able to identify different countries, flags, and landmarks. • Students will be able to recall and remember objects, words, or images accurately. • Students will express creativity by dressing up as landmarks.
Conducted by	Ms. Jesheena
Participants	Grade 1&2 Students
Activity	Around the World Passport Activity and Show and Tell, students explored different countries, cultures, flags, landmarks, and traditions from around the world. They developed an appreciation for cultural diversity while recording their learning in their passports as they visited various country stations. During Show and Tell, students confidently shared facts and information about their chosen countries, enhancing their speaking, listening, communication, and presentation skills. The activities also encouraged curiosity, respect for different cultures, and active participation in collaborative learning experiences.
Learning outcome	Students explored different cultures around the world and confidently communicated their learning through participation in the passport activity and Show and Tell presentations.
