

FATHER'S DAY

Date and Day	19-06-2026, Friday
Objectives	To help students express love, gratitude, and appreciation for their fathers through a creative trophy-making activity.
Conducted by	Ms. Maria and Ms. Rafia
Participants	Grade 1 and 2 students
Activity	Students enthusiastically participated in the Father's Day Trophy Making Activity to celebrate and appreciate their fathers. Using chart paper, glitter, stickers, and other decorative materials, they designed colorful trophies and wrote heartfelt messages such as "Best Dad Ever," "Super Dad," and "My Hero Dad." Students also shared why their fathers are special, confidently expressing their love and gratitude. The activity fostered creativity, fine motor skills, and self-expression while strengthening the values of love, respect, and appreciation for family. The beautifully crafted trophies reflected the students' affection, making the activity both meaningful and memorable.
Learning outcome	Students developed creativity, fine motor skills, and confidence in expressing their love and appreciation for their fathers through art and writing.
