Report	<p>Grade 1A presented an enlightening and impactful Special Assembly on Around the world on 3rd June 2025. The theme focused on cultural diversity. Students explained what “Around the world” means and how our beautiful world is made of many kinds of cultures and traditions. A creative choreography of dance of various continents showcasing how big our world is and how many countries are in these continents. The children also talked about national foods of different countries. How different cultures show different cultures.</p>
