

HAQ AL LAILA

Generosity, Unity and Tradition

LEARNING OBJECTIVE:

To introduce children to the cultural significance of Haq Al Laila.

KG1 and KG2 students celebrated *Haq Al Laila* at school with great joy and excitement. The children came dressed in beautiful, colourful traditional outfits and happily brought sweets to share with their friends, spreading the spirit of togetherness and kindness. An attractive Arabic Corner was set up, where children explored traditional Arabic sweets and learned about Arabic coffee. The corner was beautifully decorated, and the children enjoyed clicking pictures while engaging in meaningful conversations.

The celebration created a joyful environment filled with fun, learning, and cultural appreciation. Through this event, children experienced the values of sharing, respect for traditions, and community bonding.

LEARNING OUTCOME:

Children identified traditional customs and sweets and practiced sharing and cooperation.
