

International Literacy Day

Day and Date	22-09-25 (Monday)
Objectives	<ul style="list-style-type: none">● To develop creative writing, sequencing, and visual storytelling skills.● To encourage expression through illustrations and simple sentence formation.● To promote literacy awareness and celebrate International Literacy Day in an engaging way.
Conducted by	Grade 2 class teachers
Participants	Grade 2 students
Activity	Grade 2 students participated in the “Look, See, and Write – Storybook Creation” activity. Using picture prompts and help words, students created mini storybooks by illustrating scenes and writing simple sentences. They folded A4 sheets into booklets, designed cover pages, and colored their drawings.
Learning outcome	<ul style="list-style-type: none">● Students successfully visualized and sequenced a story based on a given picture prompt.● They demonstrated improved vocabulary usage, sentence construction, and storytelling abilities.● The activity also enhanced their creativity, fine motor skills, and presentation skills through drawing, coloring, and writing.
