

International Plastic Free Day

Date and Day	26-05-25 (Monday)
Objectives	<ul style="list-style-type: none">● To understand the importance of reusing materials to reduce waste.● To identify and share eco-friendly alternatives to plastic items.● To communicate environmental messages through art.
Conducted by	Grade 1&2 teachers
Participants	Grade 1&2 students.
Activity	Grade 1&2 students enthusiastically celebrated International International Plastic-Free Day by creating vibrant and colourful collages with messages like “Say No to Plastic!”. They also made eco-friendly cloth bags to reduce plastic use. The students proudly carried their collages and bags during a rally, spreading awareness about sustainability and promoting a cleaner, greener planet. This fun and engaging activity encouraged the young students to become responsible environmental champions.
Learning outcome	<p>Students learned about the harmful effects of plastic in a fun and simple way.</p> <p>The activity encouraged teamwork, creativity, and basic environmental awareness.</p> <p>It inspired them to start small eco-friendly habits at home and school.</p>
