OPTIMISTIC OCTOBER

2025

**THINK BIG,
TRUST
YOURSELF
AND
MAKE IT
HAPPEN...**

VISION

To empower students to become ethical, intuitive, compassionate and creative members of the society. We strive to support this by building a more comprehensive teaching and learning method that addresses the forthcoming future.

MISSION

Every individual student is unique hence, we are committed to provide a stimulating and nurturing environment that will inspire and empower them to become more responsible, innovative, confident and well rounded.

Dear Parents....

October was a joyful month filled with learning, creativity, and celebration! 🖥️ The **Digital Safety Assembly** helped children understand how to use technology safely and wisely. 💕 On **Pink Day**, they dressed in pink, made lovely ribbons for their moms, and shared heartfelt messages, building confidence and expression. 📅 During **Math Imagination Week**, our young learners explored the **Math Souq**, discovering real-life math concepts through fun, hands-on activities. 🪔 **Diwali Celebrations** brightened the school with diyas, rangoli, sweets, and smiles, as children learned about culture and teamwork. 🍪 The **Cooking Without Fire** activity was a delightful experience where children prepared tasty nutty crackers while learning healthy habits.

✨ The month truly reflected the joy of learning, creativity, and togetherness—making October a memorable and meaningful time for our little stars! 🌈

Congratulations!

For the month of September, certificates for Reading Hero, Diligent Learner, and Best Orator were awarded to the deserving students of KG 2 . Kudos to all the young achievers for their dedication and excellent performance. Let this inspire everyone to keep learning, working hard, and aim for these awards in the coming months.

Special Assembly on Digital Week

Our Kindergarten celebrated **Digital Day** with an engaging assembly that raised awareness about the importance of using technology wisely. 💡 ✨ Children learned how **digital tools** help us learn in a smart and creative way while also understanding the need to use them safely and responsibly. 🖥️ ❤️ The highlight of the event was when our little learners took a **Digital Pledge** to always use technology smartly and safely! 🌟

Cooking Without Fire

Our little chefs from KG1 and KG2 had a super fun "Cooking Without Fire" session!

The children used crackers, Nutella, strawberry, jam, and colorful M&M's chocolates to make their own crunchy and yummy treats! Everyone was so excited, mixing, spreading, and decorating their delicious creations with big smiles on their faces!

Diwali Celebration

Our KG1 & KG2 kids celebrated Diwali – the Festival of Lights with great joy and excitement!

Children brought decorative items and beautifully decorated their classrooms with colors and lights. They also made paper Diyas and added them to their portfolios.

They shared sweets with friends and teachers, danced to music, and enjoyed the day with laughter and happiness!

It was truly a bright and joyful celebration filled with smiles and festive spirit!

MATH Imagination

💡 💰 **Mathimagination - "Souq Al Hisab" (KG1 & KG2)**

Our KG1 & KG2 little mathematicians proudly opened their creative market "Souq Al Hisab"! 📦 ✨

The event was inaugurated by our Principal, Vice Principal, and Head of Section, Nandita Ma'am, who made the first purchase. 🎀 👏

Children showcased their handmade crafts and took on roles as cashiers, promoters, and helpers, turning learning into fun! 💰 🎨 📊

It was a joyful celebration of math, creativity, and teamwork, where every child shined as a young entrepreneur! ✨ 💖

PINK DAY....

Our KG1 and KG2 children celebrated Pink Day to spread awareness about love, care, and breast cancer awareness. 🎀 🌸

The little ones looked adorable in pink outfits and lovingly spoke about their mothers, appreciating their care and affection. 💕

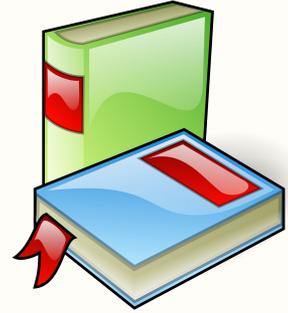

They also wrote "I love my Mom" and proudly pinned a pink ribbon 🎀 as a symbol of awareness.
