Amazing April

2026-2027

"Getting started changes everything." — James Clear

MISSION

To empower students to become ethical, intuitive, compassionate and creative members of the society. We strive to support this by building a more comprehensive teaching and learning method that addresses the forthcoming future.

VISION

Every individual student is unique hence, we are committed to provide stimulating and nurturing environment that will inspire and empower them to become more responsible, innovative, confident and well rounded.

Dear Parents,

It is with immense joy and enthusiasm that we welcome you to the start of a new academic chapter at **WISE INDIAN SCHOOL** for the **KG 2** students. As we usher in the academic year 2026-2027, we anticipate a year brimming with learning, growth, and joyful moments that we will treasure together.

Our principal, Ms. Anjana, Head of Section, Ms. Nandita and the entire KG 2 teaching team would like to express our deepest gratitude for entrusting your little ones to our care. We are committed to nurturing their inquisitive minds and fostering a love for learning that extends beyond the classroom.

KG 2 is a significant milestone where young learners embark on an educational voyage that lays the foundation for their future academic and social development. We are dedicated to guiding them through this transformative phase with a curriculum that balances academics, play, and creativity.

Here's to a year of exciting challenges, remarkable achievements, and the continuous growth of our young learners. Together, let's make this a year to remember!

Warm regards,

Class Teacher

GLIMPSES OF ACTIVITIES

A Dynamic Start to Learning: Our Virtual Classroom Journey

Our classes were conducted online to ensure the safety of our students, and our young learners adapted wonderfully, attending sessions regularly and on time. During these virtual classes, teachers explained lessons, revised portions, discussed notes, and organized fun activities. Students actively participated and remained engaged throughout.

We sincerely appreciated the support of parents in helping their children attend and take part in these interactive sessions. 🤝💖

ORIENTATION DAY

Orientation Day at our school was a lively and heartwarming online event, bringing together parents and students as they began their exciting journey of learning and development. Our passionate teachers warmly welcomed the children through a virtual platform, creating an inviting environment built on trust and mutual understanding. During an informative online session, families were introduced to our rules and regulations, helping to ensure a smooth and seamless integration into our school community.

FIRST DAY ACTIVITY

On the first day of their online class, the KG 2 students enjoyed a fun and interactive scavenger hunt game. The children were excited to begin their learning journey with such an enjoyable activity. They were asked to find five red objects from around their homes. The students eagerly searched for items like toys, books, clothes, and other red-colored things. After collecting their objects, each child introduced themselves and spoke about the five different red items they found. This activity helped the children feel comfortable, build confidence, and improve their speaking skills. It also encouraged observation and made the first day of class joyful and memorable for everyone.

COOKING WITHOUT FIRE

Our KG 2 students had a fun and exciting online cooking without fire session where they made a ***Yummy yummy Smiley Sandwich***. The children really enjoyed this hands-on activity. They used simple ingredients like bread, Nutella, and sliced cheese to create their sandwiches. First, they spread Nutella on the bread. Then, they used cheese slices to make cute smiley faces on top. The children showed great creativity while designing their sandwiches. It was a joyful experience, and the students were proud to show their yummy and smiling creations!

COOKING WITHOUT FIRE

SHOW AND TELL

KG2 had an engaging online Show & Tell activity – “All About Me” . The children spoke confidently about their favourite things , their names , their families , pets , what they want to become in the future , and what they are good at . The children were well prepared and performed beautifully even in the online class . It was lovely to see their confidence and enthusiasm while sharing about themselves . Overall, it was a fun and interactive learning experience .

FIRST DAY OF SCHOOL

Our KG2 students had a wonderful start to their first day of school. The classroom was filled with excitement and positive energy as the children settled in happily. We conducted engaging activities, interaction sessions, and self-introductions, which helped the children feel comfortable and confident. It was heartwarming to see them enjoying their time, connecting with one another, and making new friends. Overall, it was a joyful and successful beginning to the school year.
