

Milestones of KG2

May Newsletter

Education is the key to success!

MISSION

To empower students to become ethical, intuitive, compassionate and creative members of the society. We strive to support this by building a more comprehensive teaching and learning method that addresses the forthcoming future.

VISION

Every individual student is unique hence, we are committed to provide stimulating and nurturing environment that will inspire and empower them to become more responsible, innovative, confident and well rounded.

May was a month full of joy and learning for our kindergarteners! They celebrated with a variety of fun activities, including **Earth Day**, **Book and Language Day**, and a captivating **Mother's Day** was extra special with heartfelt tributes to our amazing moms. The excitement continued with **Red Day** and **Yellow Day**, where colors came alive in our classrooms.

The month concluded with an "**International Plastic Free Day**", helping children understand the importance of protecting the environment through age-appropriate activities and discussions.

Academically, our young learners made great strides in mastering the basics of letters, numbers, and general awareness. They also embarked on a journey of character development, learning essential values and behaviors. May was a month of holistic growth, blending fun, creativity, and education seamlessly!

Red Day

What a bright and cheerful celebration we had on Red Day! Our adorable KG learners came dressed in shades of red, lighting up the school with their smiles and excitement. To begin the day, the children worked together to create a Red Fruit Chart, proudly identifying and naming delicious red fruits like apples, strawberries, cherries, and pomegranates. 🍓🍒 Next, our little artists picked up their crayons and paints for a joyful red-themed colouring session! From juicy apples to bright red balloons, their creativity flowed freely as they filled their pages with vibrant red. 🎨 Red Day wasn't just about colour - it was about connection, curiosity, and joy. A big thank you to our wonderful parents for dressing up our little stars so beautifully and to our teachers for making this day so special. Here's to many more colourful adventures ahead in KG!

Language book

Tiny Tales & Talking Costumes!

We joyfully celebrated Book and Language Day with a series of fun and meaningful activities! We began the day with **DEAR** time (Drop Everything And Read), where the children listened attentively and showed great interest in the stories. It was heartwarming to see their love for books shine through!  Later, the children came dressed as their favorite storybook characters, and the classroom was filled with laughter and creativity.  We also had the pleasure of visiting Anjana Ma'am and Nandita Ma'am, who thoroughly enjoyed the children's costumes and the cheerful atmosphere.  It was truly a memorable and enriching day.

Mother's day

What a fantastic and heartwarming day we had at KG2 celebrating the superstars of our lives - our amazing moms! ❤️宝妈 The celebration began with our adorable little ones performing an energetic action song 🎵 that had everyone clapping and smiling from ear to ear! Next came the dazzling duo performances - moms and their kids took the stage with confidence and creativity! Crowns made from recycled materials 🌱👑 stole the show, and the sweet duet "Harmony" 🎤融化 our hearts. The energy levels soared with a fun and lively Zumba session 💃 where everyone danced their hearts out! We were honoured by the warm presence of Anjana Ma'am, Nandita Ma'am, Sangeetha Ma'am and Athira Ma'am 🎪 - thank you for joining us and making the day even more special! Exciting games and activities 🎈 A BIG shoutout 🎤 to all the wonderful mothers who participated, performed, and made the event so memorable. Your love, spirit, and dedication are truly inspiring! 🌸 You are our heroes, our hearts, and our forever best friends 🎉👑!

Yellow day

The children were all dressed in beautiful shades of yellow - like little rays of sunshine! They made delicious lemonade together. The room was filled with laughter, joy, and that sweet lemony scent! They drank their lemonade happily! We had a super fun Show and Tell session! Each child brought their favorite yellow toy and excitedly stood up to talk about it in front of their friends. 🐻🚗🐤✨ Later in the class, we had a Friendship Activity. Each child picked a colored heart and gave a big warm hug to their friend based on the color they picked. It was such a touching moment so full of love, kindness, and giggles! Yellow Day turned into a Rainbow of Emotions! Hug, smile, love, repeat!

International plastic free day

Our tiny eco-warriors from KG1 & KG2 celebrated International Plastic Free Day with an exciting and meaningful event titled "Go Green, Say No to Plastic!" The day began with a rally 🚶 through the school corridors, where children proudly carried placards 📜 and their own paper bags 🎁, spreading powerful messages about saving our Earth 🌎 from plastic pollution. Marching with big smiles 😊 and louder voices 🎤, the little ones showed their support for a cleaner, greener world! Their handmade paper bags symbolized eco-friendly choices and added charm to the rally. As part of the event, children brought old clothes 🛍 and used items 🛍 from home and carefully placed them in the Recycling Bin 🗑 - learning the value of reducing 🗑, reusing 🛍, and recycling 🌱 in their everyday lives. It was a fun-filled 🎉, energetic ⚡, and eye-opening 📚 experience that nurtured love and responsibility for our environment in these young hearts ❤️. Let's continue guiding our kids toward a future where every step counts for our planet!

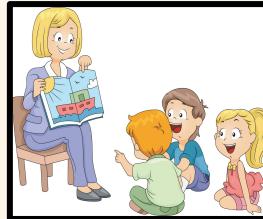

Syllabus

ENGLISH

Fine motor skill activities (hands on activity)

- ed, eg, et and en family words
- Rhymes
- Story (Listening & Sequencing)
- Reading Book (Comprehension / Picture Composition)
- Sight Words

all	got	not	too	new
ten	six	two	day

5	Father's Day (International Yoga Day)	19-06-2025

THANK
YOU

Three cartoon notecards with faces and arms are standing behind the letters of the word "YOU". The notecards are pink, yellow, and blue. They have simple features like eyes and a smile, and small arms and legs. The pink notecard is on the left, the yellow one is in the center, and the blue one is on the right. They appear to be holding up the letters of the word.
