“Read, Reflect, and Resonate”

LEARNING OBJECTIVE:

To encourage imagination and creativity through role play and activities.

KG1 and KG2 celebrated Book & Language Day with great excitement and enthusiasm. The children came dressed as their favourite story characters, adding colour and joy to the celebration. KG1 students enjoyed listening to *The Hungry Caterpillar* story, while KG2 children were delighted by the story of *Elmer the Elephant*. Teachers used puppets during storytelling to make the sessions more interactive and engaging. The children actively participated and listened with great interest and excitement. A fun colouring activity further enhanced their creativity and enjoyment. The celebration also included a cheerful character parade through the corridor where children proudly showcased their costumes.
