

ORIENTATION DAY

“Ready , Set , Go”

LEARNING OBJECTIVE:

To familiarize students with the online platform and routines and build confidence in virtual participation.

The KG 1 and KG 2 Online Orientation Session was successfully conducted to welcome students for the new academic year. The session provided an opportunity for children to connect with their peers and meet their teachers in a virtual setting. Parents also actively participated in the session, supporting their children and interacting with teachers to ensure a smooth and comfortable transition to online learning. Various engaging activities, including storytelling, music, and interactive games, were organized to create a joyful and welcoming environment.

Students participated enthusiastically and showed excitement while exploring their new learning journey. The session helped them become familiar with the online platform and classroom expectations. It was encouraging to see their confidence and eagerness to learn.

LEARNING OUTCOME:

Students demonstrated enthusiasm, comfort in the online environment, and readiness to begin their learning journey.
