

PEOPLE WHO HELP US (EVS ACTIVITY)

“Tour, Education, and Excitement”

LEARNING OBJECTIVE:

To recognize the roles of people who help us in school and develop gratitude, kindness, and respect for others.

As part of the EVS topic “**People Who Help Us,**” KG1 and KG2 students participated in a meaningful appreciation activity. The children created simple handmade thank-you cards to express their gratitude to the people who support them every day at school. They proudly presented their cards to teachers, the Principal, the Head of Section, security staff, the school nurse, bus uncles, and bus aunties.

This thoughtful activity helped children understand the importance of respecting and appreciating the contributions of others. It also encouraged kindness, empathy, and good manners while strengthening positive relationships within the school community. The joyful smiles and heartfelt interactions made the activity truly memorable.

LEARNING OUTCOME:

Children enhanced their creativity, social skills, and confidence by interacting with members of the school community.
