

WORLD ENVIRONMENT DAY

“REDUCE, REUSE AND RECYCLE”

LEARNING OBJECTIVE:

To develop awareness about the importance of protecting and caring for the environment.

KG1 and KG2 celebrated World Environment Day with great enthusiasm and excitement. The day began with an engaging presentation that helped the children understand the importance of protecting and caring for our environment. Dressed in blue to represent our beautiful Earth, the children added a colourful touch to the celebration.

The students actively participated in a recycling and reuse activity, As part of the celebration, they also worked together to create colourful classroom mats using reusable materials, showcasing their creativity, teamwork, and responsibility towards the environment.

The event was filled with joyful learning experiences, laughter, and enthusiasm. Overall, the celebration was both enjoyable and meaningful, inspiring our young learners to become responsible caretakers of our planet.

LEARNING OUTCOME:

They identified simple ways to reduce, reuse, and recycle waste in their daily lives.
