

YELLOW DAY

“Amber, Shine, and Saffron”

LEARNING OBJECTIVE:

To develop fine motor and observation skills through a hands-on activity.

KG1 and KG2 celebrated Yellow Day with great enthusiasm and joy. The children arrived dressed in bright yellow outfits, while the school staff also wore yellow, creating a cheerful and vibrant atmosphere throughout the campus. A special lemonade-making activity was conducted in the indoor auditorium, where the children participated with excitement.

They prepared fresh lemonade, enjoyed drinking it, and learned about the health benefits of lemons and vitamin C. The celebration encourage active participation, sensory exploration, and healthy lifestyle awareness.

Many memorable moments were captured through photographs, reflecting the happiness and excitement of the day.

LEARNING OUTCOME:

Children confidently identified the colour yellow in their surroundings and actively participated in preparing lemonade.
