AMAZING APRIL

Welcome Back to School
A New Year of Learning and Fun

April is a month of new beginnings—bloom with positivity, grow with kindness, and shine with confidence!

MISSION

To empower students to become ethical, intuitive, compassionate and creative members of the society. We strive to support this by building a more comprehensive teaching and learning method that addresses the forthcoming future.

VISION

Every individual student is unique hence, we are committed to provide stimulating and nurturing environment that will inspire and empower them to become more responsible, innovative, confident and well rounded.

• •

Dear Parents,

• Welcome to the Kindergarten Corner! Our little learners have had an exciting and joyful start to the year, diving into a world of creativity and discovery. From the moment they stepped into our vibrant classroom, filled with colors and new learning tools, the energy has been nothing short of magical.

• Every corner of our classroom tells a story, from the colorful artwork adorning the walls to the giggles echoing on the playground. It's clear that our kindergarteners are not only embracing this new chapter with open arms but are also thriving in this wonderful environment. Watching them explore, create, and make new friends brings us immense joy. Each day is a new adventure in learning and growth!

As we look forward to an incredible year ahead, we invite you to join us in this journey. Together, we can support your child's development by continuing their learning experiences at home. Your involvement is key in helping them transition seamlessly into formal education while nurturing their unique talents.

Here's to an amazing year filled with laughter, learning, and endless possibilities!

With warmest regards,
Class Teacher

KG 2 Orientation Day

Our bright and bubbly KG 2 stars were joyfully welcomed back to school, stepping into their classrooms with confident smiles and eager hearts. The orientation was filled with warmth and excitement as children reconnected with friends, met their loving teachers, and enjoyed creative activities, storytelling, music, and movement. It was heartwarming to witness their energy and enthusiasm, with heartfelt thanks to our wonderful parents for their continued support on this exciting journey.

First Day at School

- A bright and exciting start marked the new academic year as our confident KG 2 learners stepped into school with happy hearts and eager smiles. The day was filled with joyful moments—from a cheerful assembly and creative rocket colouring to energetic dance sessions and an exciting school tour that helped children feel at home. With the warm support of our parents and the care of our dedicated teachers, the first day beautifully set the tone for a year of laughter, learning, and wonderful memories.

GENERAL ASSEMBLY

- Our teachers conducted engaging assemblies that began with a warm welcome for the students through vibrant music, energetic dance, and a lively skit. Later, they captured the students' attention with a creative e-safety story, thoughtfully performed as a skit to both entertain and educate.

LEARNING BEYOND THE CLASSROOM

- Students explored the vibrant corridor boards, turning every step into a fun learning adventure. Through engaging activities and colorful displays, they reinforced key concepts in an exciting, hands-on way. The interactive setup sparked curiosity and made learning come alive beyond the classroom walls!

Happy Vibes....

Our students had a blast during their playtime sessions, engaging in a variety of fun-filled games and activities that sparked creativity and encouraged teamwork. Laughter echoed through the air as children explored, played, and bonded with their classmates.

EARTH DAY

Our confident KG 2 Earth heroes celebrated Earth Day with excitement, dressed in green and blue as they began the day with a joyful assembly filled with songs, prayers, and promises to care for the planet. In class, they enjoyed a fun-filled colouring activity featuring trees, flowers, and Earth, followed by a creative handprint art session. They also watched videos and listened to engaging stories about recycling, deepening their love and understanding of nature.
