LEARNING OBJECTIVE:

To build self-confidence and encourage creative expression through performance and art.

Kinders Got Talent 2025 was a wonderful celebration of creativity, confidence, and charm, showcasing the unique talents of our KG1 and KG2 students. The event featured singing, dancing, and coloring/drawing activities that brought out the best in our little performers. Their sweet songs, energetic dance moves, and colorful artwork lit up the day with joy and enthusiasm.

The day ended with happy smiles and cherished memories.

Congratulations to all our young stars for making the event a grand success.
