

# MOTHER'S DAY

## LOVING CARING NURTURING

### **LEARNING OBJECTIVE:**

To celebrate and strengthen the bond between mothers and children.

KG celebrated the incredible bond between mothers and children with a heartwarming and joy-filled event. The day began with a lively action song performance by the children that brought smiles to all. This was followed by delightful mom-child duo performances, where handmade crowns from recycled materials added a special touch. The duet “Harmony” was a touching highlight. A high-energy Zumba session had everyone dancing together with enthusiasm. We were honored by the presence of Anjana Ma’am, Nandita Ma’am, Sangeetha Ma’am, and Athira Ma’am. The event concluded with engaging games and heartfelt appreciation for our wonderful mothers.

### **LEARNING OUTCOME:**

Strengthened interpersonal bonds and collaboration with family members and peers.

**DATE: 14-May-2025**
