

Mother's Day

Day and Date	14-05-25 (Thursday)
Objectives	To help students understand the significance of Mother's Day and why mothers are special. To encourage students to express gratitude and affection toward their mothers through art and writing.
Conducted by	Grade 1 and 2 class teachers
Participants	Grade 1&2 students
Activity	<ol style="list-style-type: none">Card-Making Activity: Students created colourful and imaginative Mother's Day cards using materials such as coloured paper, crayons, glue, and scissors. They wrote simple, heartfelt messages or drew pictures to convey their affectionGroup Recitation: A group recitation was performed by the students, featuring poems and rhymes dedicated to mothers. This activity helped students articulate their appreciation and participate in a collective celebration.
Learning outcome	Students understood the purpose of celebrating Mother's Day. They expressed gratitude through written and oral forms. The activities enhanced fine motor skills, creativity, and group participation. Students developed confidence in public speaking and emotional expression.
