

ORANGE DAY

APRICOT TANGERINE AND MARIGOLD

LEARNING OBJECTIVE:

To encourage creativity and self-expression.

Orange Day was celebrated with great enthusiasm by the young learners of KG1 and KG2. The children arrived dressed in beautiful orange-coloured outfits, filling the school with brightness and cheer. Each child brought along an orange-coloured object and confidently spoke about it in class, an activity designed to enhance their communication and presentation skills.

The celebration continued with a creative colouring activity where children coloured cutouts of carrots, oranges, the sun, and autumn leaves. Their classrooms became vibrant spaces, filled with imagination and artistic expression.

Later, students enjoyed fun-filled activities in the play zone, strengthening bonds of friendship and teamwork. The day was marked by laughter, energy, and memorable learning experiences.

LEARNING OUTCOME:

Students confidently described their objects.
