Outstanding October

Vision

Every individual student is unique; hence, we are committed to provide a stimulating and nurturing environment that will inspire and empower them to become more responsible, innovative, confident, and well-rounded.

Mission

To empower students to become ethical, intuitive, compassionate, and creative members of the society. We strive to support this by building a more comprehensive teaching and learning method that addresses the forthcoming future.

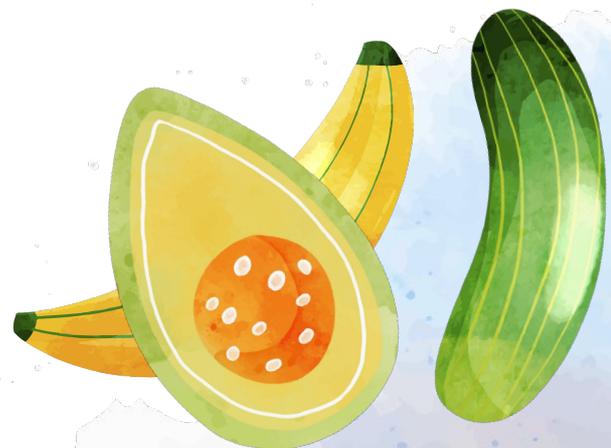

Dear Parents,

October was a vibrant and inspiring month for our Grade 2 students, filled with creativity, celebration, and learning. Students enthusiastically participated in **Digital Week**, exploring the wonders of technology through interactive activities that enhanced their digital awareness and skills. During **Math Imagination Day**, they engaged in fun-filled games and hands-on tasks that encouraged logical thinking, problem-solving, and teamwork. The festive spirit came alive as children joyfully celebrated **Diwali**, spreading messages of light, happiness, and togetherness. We also took time to **celebrate our students' achievements**, appreciating their hard work, effort, and growth throughout the term.

It was a month that beautifully blended learning with celebration, inspiring curiosity, confidence, and creativity in every child.

Warm regards,
Class Teacher

Glimpses of Activities

Diwali celebration

Grade 2 students joyfully celebrated the festival of Diwali with great enthusiasm and excitement. Dressed in colourful traditional attire, the children actively participated in various class activities that captured the festive spirit. The classroom was beautifully decorated with diyas, lanterns, and rangoli designs, adding to the cheerful atmosphere. Students listened to and presented the story of Diwali, learning about its cultural significance and values. The celebration also included sweet sharing, songs, and creative tasks that highlighted the themes of light, joy, and togetherness, making it a truly memorable occasion.

Go Green Go Digital

Grade 2 students enthusiastically participated in Digital Week with the inspiring theme “Go Digital, Go Green.”

The young learners went through two exciting rounds of competitions, showcasing their creativity and awareness about the importance of using technology wisely while caring for the environment. Through engaging presentations and explorations, students beautifully connected the ideas of digital innovation and environmental responsibility. Their efforts reflected how small digital steps can make a big green difference!

Math Imagination

Grade 2 students enjoyed an exciting Math Imagination Carnival, filled with fun and hands-on learning. The classroom turned into a lively math wonderland with creative game stalls like Repeated Addition Shooter, Shape Shifter Ring Toss, and Magic Addition Bowling. Students explored concepts of addition, subtraction, shapes, and number order through play. The activities encouraged teamwork, reasoning, and joyful participation. The event made math come alive, turning numbers into a world of imagination and fun!

Math Imagination

Celebrating Student Achievements!

Our young learners were filled with joy and pride as they received special recognition for their outstanding efforts. Students were awarded certificates by Principal Ma'am under various categories.

 Best Orators for their confidence and excellence in public speaking.

 Reading Heroes for their love of books and enthusiasm for reading.

Diligent Learners for their consistent hard work and dedication.

Go Green Go Digital Assembly

As part of the Digital Week celebration, Grade 2 students presented an inspiring assembly on the theme “Go Green, Go Digital.” The students enacted the importance of using digital tools wisely and emphasized the need to avoid paper waste to protect our environment. The highlight of the assembly was a heartfelt pledge, where students promised to be responsible digital users and champions of a greener planet. Their performance truly reflected the spirit of sustainability and innovation!

Animal Welfare

Grade 2C Assembly

Grade 2C Students presented a lively and meaningful assembly on the theme “Animal Welfare.” The students showcased a skit and an action song that highlighted the importance of showing kindness and care towards animals. Colourful posters and enthusiastic performances added charm to the event. The assembly reflected teamwork, confidence, and compassion, spreading a strong message of empathy and respect for all living beings.

Discoveries and Inventions

Grade 2D Assembly

☀️ Grade 2D Students conducted an engaging morning assembly on the theme “*Discoveries and Inventions.*” The students confidently presented short performances that highlighted the importance of imagination, exploration, and innovation in shaping our world. A motivating speech inspired everyone to stay curious and creative, while the lively action song added energy and enthusiasm to the event. The assembly was an inspiring reminder that every great invention begins with a spark of curiosity.

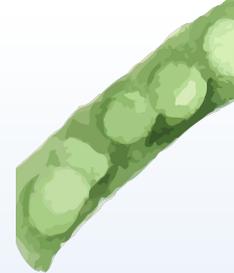

Reading challenge

☀️ Grade 2 students enthusiastically participated in the Reading Challenge. After the preliminary round, a group of students was selected to move on to the next stage, where they were given a passage to read aloud. The students read with confidence and expression, and a few were awarded the top prizes for their excellent performance. The certificates were graciously presented by our Head of Section, Ms. Nandita Maam.
