Objectives	● To promote leadership and responsibility among students. ● To provide a platform for students to experience democratic processes. ● To strengthen student representation in school activities through structured roles.
Outcome	● A team of capable student leaders from Grade 10 was successfully elected to key positions. ● The election process saw enthusiastic participation, fostering school spirit and unity. ● Students gained firsthand experience in leadership, public speaking, and electoral ethics.

BRIEF REPORT

The Annual School Election for student leadership positions was conducted successfully with enthusiastic participation from students of Grades 5 to 10. The election aimed to instill leadership qualities, promote democratic values, and encourage active student involvement in various school activities.

The election procedures were carried out in a systematic and transparent manner. The nomination process began with the submission of applications, and the Nomination Deadline was completed as scheduled. This was followed by the Declaration of Shortlisted Candidates, after which students were given an opportunity to present their ideas and leadership qualities during the Canvassing Period. Interviews for the Main Posts were conducted under the guidance of the Principal, Vice Principal, and members of the School Election Committee to ensure a fair and efficient selection process.

The Selection of House Captains was organized and monitored by the respective House Masters and House Mistresses. In addition, selections for various school committees were conducted by the respective Committee Secretaries, who identified suitable student ambassadors for different responsibilities and activities within the school.

The school election was held on 14th May 2026 in a well-organized manner, ensuring active participation and discipline throughout the process. The election results were officially announced on 18th May 2026. The entire event served as a valuable learning experience for students, helping them understand the importance of responsibility, teamwork, leadership, and democratic participation.
