

World Environment Day

Date and Day	13-06-25 (Friday) 
Objectives	<ul style="list-style-type: none">• To help students understand the importance of protecting the environment.• To promote sustainability and creativity through the use of recycled materials.• To develop communication skills by presenting eco-superhero ideas
Conducted by	Grade 1&2 Teachers
Participants	Grade 1&2 students 
Activity	<p>1. Eco-Friendly Fashion Show Students designed and showcased outfits made entirely from recycled materials such as newspaper, cardboard, bottle caps, and fabric scraps. Each participant walked the ramp confidently and explained the materials used in their outfit.</p> <p>2. Eco-Superhero Poster Activity Students created posters of their unique eco-superheroes using home-sourced symbols like trees, water droplets, recycling signs, and earth images. They presented their superheroes in class, describing their special powers and how they help protect nature. Posters were later displayed around the school campus. </p>
Learning outcome	<ul style="list-style-type: none">• Students learned the value of reusing and recycling in daily life.• The activity enhanced their creative expression and confidence in speaking.• Children developed a sense of responsibility towards environmental conservation. • The school community was inspired by the visual display of eco-heroes and their impactful messages.
