

## **HOTLINE TEAM**

Dear Parents,

Date: 30 March 2024

Providing a safe and secure learning environment for your children is very important to us. We have numerous safety and security measures in place that we are always looking to enhance. This includes the Safe School Helpline.

Students, parents and community members should use the Hotline team to report threats of violence, bullying and illegal activity that could harm children in our schools. This service will provide users the opportunity to leave a message or speak with a live crisis counselor for immediate needs. The helpline is administered. All communications are PRIVATE, CONFIDENTIAL AND ANONYMOUS.

The school Hotline team can be accessed via telephone/ email. Your message will be communicated with school officials. All information will remain confidential to encourage the reporting of all safety concerns. Your report will be assigned a case number which you may use later to confirm that your report was received and investigated. If you have any questions, please contact in the following given details.
